BEGINS SEPARATELY AT LAUNCH

Website Care Plan — \$30.00 / month. Per the signed agreement, this begins on the date the website goes live and is billed separately from this invoice. It covers hosting, SSL, security and software updates, checkout monitoring, support, and one product-lineup refresh per month — swapping products, prices or photos. Cancellable by either party with 30 days written notice.

Start the Care Plan — \$30/month

Set this up at launch. Cancel anytime with 30 days notice.

Additional work beyond the agreed scope is quoted individually before any work begins.
