Spring has Sprung!

Quick Wins for Lawn & Yard Care

- **Edge sidewalks and driveways** — instantly sharpens the look of any property.
- **Trim shrubs and low branches** — improves curb appeal and keeps walkways clear.
- **Mulch flower beds** — fresh mulch is like a fresh coat of paint for landscaping.
- **Clear leaves and debris** — especially around drains to prevent flooding.

Home Maintenance That Helps Everyone

- **Pressure-wash driveways, porches, and siding** — brightens the whole block.
- **Clean gutters** — reduces overflow and protects foundations.
- **Touch up exterior paint** — even small fixes make a big visual impact.
- **Check outdoor lighting** — improves safety and makes the neighborhood feel welcoming.

Mailbox Maintenance

- Alston Meadows and Provence have a metal mailbox and post and should be painted SW 7048, Urbane Bronze, high luster (gloss), oil based exterior paint.
- All other areas are cedar mailbox posts that must be stained a clear or natural stain. The mailbox must be black.

For a new wooden post, contact
Duke Construction at 205-967-0220.

Did you know?

- ⇒ Pedestrians have the right-of-way when walking on the sidewalk.
- ⇒ Golf carts may only be driven by licensed drivers when on the common areas or city streets.
- ⇒ Leaves must be bagged and not blown into the lake, common areas, or street drains.

Fun News

Due to plans to begin pool renovations in August, the Vestlake Pool will be opening earlier this year!

Pool Opens May 1st

Pool renovation plans are still underway and will be submitted to the Health Department and other permitting processes within the next few weeks. We will keep you posted.

Not Fun News

Playing jokes on neighbors by ringing the doorbell after dark, then running away may seem like a harmless prank, but it could lead to an unnecessary scare or altercation.

Please remind your family this is not an appropriate game and ensure they have other safe activities to keep them occupied.

The Vestlake Enumerate website will not be renewed in April due to lack of activity and pricing. The Board is looking at other options for a website that will be more cost effective, and user friendly. Until one is established, please use the NHM Owner's Portal (www.nhmlc.org) for documents and make payments and email LibertyPark@nhmlc.org with any questions or concerns you may have.

Let's celebrate our graduates!

If you have a graduating senior this year, please send their name(s) to: Libertypark@nhmlc.org before April 13th so that we can include their names the banners.

Thank you, and **congratulations** to all our special seniors!

UPCOMING EVENTS

LP Movie Night
Tentative – April 18th

Spring Yard Sale
April 25th 8 am-2pm
