Remember to put all trash in a bag, then into your container. Don't put loose trash such as cups, bags, Styrofoam containers, etc. on top of your trash bags in your container. When garbage is collected, items not contained inside the bag may fly out and into the street and yards. Please help keep our neighborhood clean.

If you have any problems with the trash collection, please contact City of Vestavia Action Center at 205-978-0150.
