Pool Time is going to last a little longer than expected!

While the contractor is waiting on appropriate approvals and permits to begin the renovation project, the pool will remain open through Labor Day.

As soon as the contractor can begin work, we will be closing the pool. Please do not make any reservations or plans to use the pool after Labor Day. The Board wants to keep the pool open as long as possible this season but also does not want to delay Vestlake having a newly renovated pool next spring!

School is back in session, and many children are walking or riding bikes to school. Please drive cautiously and at a lower speed, especially at times children are going to and from Liberty Park Elementary and Middle Schools.

Welcome Sam Clayman to the NHM Team serving the
communities of Liberty Park.

Vestlake Projects/Repairs

in the works include:

- Pump for the waterfall at Lake Run has been replaced.
- After cleaning a drain that caused flooding around Boulder Lake, it quickly became clogged again by active beaver. Three beavers have been relocated from Boulder Lake and Alabama Wildlife Service is currently monitoring to see if there are more.
- Approval of pool renovations have been submitted to the ARC and to Jefferson County Health Department and should have approval within the next couple of weeks.
- An additional pet waste station has been ordered for Lake Colony Way between Boulder Lake and Lake Parkway.
- Quotes are being reviewed to concrete the path to the common area behind Jackson Loop.
- Alabama Power has replaced any missing panels exposing wires on streetlight poles.
- New Vestlake Communities website is currently being developed.

The 2nd B i-Annual Dues for Vestlake were delinquent after July 30th. Late fees have been applied. To avoid collection action, please submit payment immediately.

Fall Season Reminders

As we move into the fall season, please keep the following community reminders in mind:

- **Halloween Decorations:** Please do not install Halloween decorations until **October 1st**. Fall decorations are permitted before October 1st. All holiday decorations should be removed as soon as possible after each holiday. Please remember that there are young children in our neighborhood and be considerate of the type and placement of Halloween decorations.
- **University Flags:** University flags are not permitted on the front or side of the house.
- **Leaf Removal:** Homeowners are responsible for ensuring their lawn care service bags leaves and does not blow leaves into the lakes, drainage system, or common areas. Any lawn service that blows leaves into these areas will result in a \$200 Flagrant Fine being charged to the homeowner's account.

The City of Vestavia Hills will begin paving the following streets in Vestlake beginning August 24th.

- Landon Ct
- Vestlake Ridge Dr
- Lake Run Dr
- Vestlake Cove Dr

There will be repairs to the gutters prior to this work beginning. In order not to delay this paving project, we remind owners not to park on the streets.
