NOTICE FROM THE LAKE COMMITTEE:

Please be aware of this policy concerning the use of Liberty Park Lakes.
Fishing or boating in Liberty Park lakes is strictly limited to current residents of Liberty Park.
Residents should contact the HOA office at 205-945-6430 or email LibertyPark@nhmlc.org to request a decal to be affixed to the one boat allowed. This decal will contain a number unique to the resident and should be permanently affixed to the boat in a highly visible location. Residents may also request one hanging tag which can be attached to a vehicle rearview mirror, if parked at the lake. Lake lot residents are not required to have a vehicle tag. Both the decal and tag will be issued after verification of Liberty Park residency in good standing. This policy is in support of our overall security policies and to better ensure our lakes are restricted to residents only.

Thanks much.
