

SENN MEDICINE

NOTICE OF PRIVACY PRACTICES

Effective Date: April 2, 2026

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Our Responsibilities

Senn Medicine is required by law to maintain the privacy and security of your protected health information ("PHI"), provide you with this Notice of our legal duties and privacy practices, follow the Notice currently in effect, and notify you following a breach of unsecured PHI when required by law. We may change the terms of this Notice and make the new Notice effective for all PHI we maintain. The current Notice will be available upon request and through our practice.

How We May Use and Disclose Your Health Information

We may use or disclose your PHI without your written authorization for treatment, including coordinating your care with other health professionals; for payment, including billing and collection activities when applicable; and for health care operations, including quality improvement, training, compliance, credentialing, and business management. We may also use or disclose PHI when permitted or required by law, including for public health activities, reporting suspected abuse or neglect, health oversight, judicial or administrative proceedings, law enforcement purposes, workers' compensation, certain research activities, organ and tissue donation, coroners or medical examiners, disaster relief, national security activities, and to avert a serious threat to health or safety, subject to applicable legal requirements.

Other Uses and Disclosures

We may contact you about appointments, care coordination, treatment alternatives, health-related benefits or services, and practice communications. We may communicate with family members, friends, or others involved in your care or payment for your care when you agree, when you do not object, or when professional judgment and applicable law permit. We will obtain your written authorization for uses and disclosures that are not otherwise permitted by law. You may revoke an authorization in writing at any time, except to the extent we have already relied on it.

Your Rights

You have the right, subject to applicable law, to: inspect or obtain a copy of your medical and billing records; request a correction or amendment if you believe information is incorrect or incomplete; request confidential communications by a reasonable alternative method or at an alternative location; request restrictions on certain uses or disclosures (although we are not required to agree to every request); request an accounting of certain disclosures; and obtain a paper copy of this Notice at any time, even if you agreed to receive it electronically.

Restrictions for Services Paid in Full Out of Pocket

If you pay in full out of pocket for a specific health care item or service, you may request that we not disclose information about that item or service to your health plan for payment or health care operations. When the law requires us to honor such a request, we will do so unless disclosure is otherwise required by law.

Electronic Communications and Practice Technology

Senn Medicine may use electronic health records, patient portals, electronic prescribing, secure messaging, scheduling systems, payment systems, and other vendors that support practice operations. When required, vendors that create, receive, maintain, or transmit PHI on our behalf are expected to enter into appropriate business associate agreements and safeguard PHI as required by law. Please understand that ordinary email, text messaging, and other consumer communication methods may carry privacy risks; use practice-approved secure methods when available.

Fundraising, Marketing, and Sale of PHI

We will obtain your authorization before using or disclosing PHI for purposes that require authorization under HIPAA, including certain marketing activities and any sale of PHI. If we conduct fundraising communications permitted by law, you will have the opportunity to opt out of future fundraising communications.

Complaints

If you believe your privacy rights have been violated, you may file a complaint with Senn Medicine or with the U.S. Department of Health and Human Services, Office for Civil Rights. We will not retaliate against you for filing a complaint. Complaints to Senn Medicine should be directed to the Privacy Officer listed below.

Privacy Officer / Contact Information

Practice	Senn Medicine
Privacy Officer	Dr. Eric R. Senn
Website	sennmedicine.com
Mailing Address	2449 Moores Mill Road, Suite 200 Auburn, Alabama 36830
