

ORDINANCE NO. A 24

TOWN OF DECATUR, MISSISSIPPI

That as a matter of public policy and to promote the health, safety and welfare of the citizens of the Town of Decatur, it is hereby declared mandatory that all persons, firms, partnerships or corporations whose homes or places of business are located so as to have available to such property a sewer line of the Town, shall provide the necessary sewer facilities for their said homes or place of business and shall connect same with the Town sewer system within 60 days after the date such sewer line or system becomes available to said customer; provided however, that no such person, firm, corporation or partnership shall be required to connect their homes or place of business to the sewer system if it is not feasible from an engineering viewpoint for such connection to be made. In the event any such person, firm, corporation or partnership shall fail to connect to the sewer system when same becomes available to them, each such customer failing to make a sewer connection shall be charged the regular monthly sewer charge as defined by ordinance to be added to such customer's water bill and said amount shall be collected until such connection is made.

The ordinance was passed on the 5th day of July, 1988.
