1. Scope of Work

Williams Digital agrees to design, develop, and deploy a custom website redesign for Mouse Trap News. The project includes a full migration from the existing WordPress/SiteGround setup to a modern headless CMS (Sanity) hosted on Vercel.

Custom Design System

Unique, branded visual identity for Mouse Trap News

9 Rotating Article Themes

One per park/topic, auto-assigned by category

Custom Admin Dashboard

Role-based (publisher + writers), editorial workflow

Rich Text Editor

Bold, italic, headings, links, images, quotes

Strategic Ad Placement

Optimized for best performance & revenue

WordPress Content Migration

All articles, categories, and images transferred

SEO-Preserved URLs

301 redirects to maintain search rankings

Mobile-First Responsive

Optimized for portrait & landscape on all devices

2. Timeline

- **Phase 1 (Weeks 1–2):** Content migration from WordPress, domain setup on Vercel, ad placement configuration
- **Phase 2 (Week 3):** Final testing, SEO verification, newsletter integration
- **Phase 3 (Week 4):** DNS cutover, SiteGround transition, client training on admin dashboard

Estimated completion: 4 weeks from contract signing and deposit receipt.

3. Investment & Payment Terms

Total project investment is **\$750**, split into two equal payments:

TOTAL PROJECT INVESTMENT

\$750.00

50% deposit to begin work · 50% due on completion

- **Down Deposit (\$375):** Due upon contract signing. Project work begins once deposit is received.
- **Final Payment (\$375):** Due upon project completion and client approval, prior to DNS cutover to the live domain.

5. Ownership & Rights

Upon receipt of final payment, Mouse Trap News owns all rights to the website design, content, and code developed under this agreement. Williams Digital retains the right to showcase the project in its portfolio and marketing materials.

6. Revisions & Support

This agreement includes up to **two rounds of revisions** during the design phase. Post-launch support is included for **30 days** to address any bugs, configuration issues, or questions. Additional revisions or ongoing support can be arranged under a separate maintenance agreement.

7. Cancellation

If the Client cancels the project after the deposit has been paid, the deposit is non-refundable and covers work performed to that point. If Williams Digital cancels, any unused portion of the deposit will be refunded.

8. Acceptance

By signing below (electronically via DocuSign or by submitting the deposit payment), both parties agree to the terms outlined in this agreement.
