

Client Service Agreement

Professional Services Agreement between Williams Digital and Senn Medicine

EFFECTIVE DATE	VERSION	JURISDICTION
Upon Acceptance	1.0	Alabama, USA

01 Parties

This Client Service Agreement (the “Agreement”) is entered into by and between:

SERVICE PROVIDER Williams Digital, a digital services and web development firm specializing in website design, development, hosting, maintenance, and related digital solutions. Dylan@williamsdigital.io
CLIENT Senn Medicine, a concierge-style direct primary care practice owned and operated by Eric R. Senn, DO. 2449 Moores Mill Rd Ste 200 Auburn, AL 36830

02 Scope of Services

The Service Provider agrees to design, develop, and launch a **public marketing website** for Senn Medicine, based on the design direction presented as “Concept 2” at williamsdigital.io/preview/senn-medicine/concept-2/, adapted using Client-supplied brand assets, photography, and copy.

The build includes:

- **Website Design & Development** — A custom, responsive single-page marketing website covering: practice introduction, philosophy statement, the Senn Medicine care experience, physician biography and credentials, membership tiers and pricing, Auburn student membership, patient testimonials, frequently asked questions, practice location, and contact information.
- **Membership & Enrollment Links** — Placement of the Client's existing Stripe payment links and Calendly consultation-booking link at the appropriate points in the page.

- **Mobile & Accessibility** — Responsive layout across phone, tablet, and desktop, with attention to legibility, color contrast, and reduced-motion preferences.
- **Website Hosting & Deployment** — Setup, configuration, and management of the hosting environment, including domain configuration and SSL certification.
- **Search Engine Optimization** — On-page optimization, metadata configuration, and local-SEO best practices for the Auburn and Opelika area.
- **Website Maintenance & Updates** — Ongoing maintenance, content updates, bug fixes, and performance optimization, as described in Section 03.

Not Included in This Agreement

For clarity, the following are **outside the scope** of this Agreement and are not included in the fees below. Any of these may be added later by written Change Order:

- Patient portal, patient login, or any authenticated area of the site
- Electronic medical records (EMR/EHR) integration or migration
- Any system that collects, stores, or transmits Protected Health Information (PHI)
- HIPAA-covered forms, intake forms, or secure patient messaging
- Custom photography or a photo shoot
- Logo design or full brand identity development
- Copywriting beyond light editing of Client-supplied material
- Email hosting, practice management software, or billing systems
- Paid advertising management or ongoing SEO campaign work

Important — Protected Health Information

The website delivered under this Agreement is a **public marketing website only**. It is not designed, and must not be used, to collect, store, or transmit Protected Health Information as defined by HIPAA. Any contact form included will carry a clear notice instructing visitors not to submit medical details.

Should the Client later wish to add patient intake, a portal, or any PHI-handling feature, that work requires a separate written agreement and, if applicable, a Business Associate Agreement.

Revision Policy

The initial project includes up to **three (3) rounds of revisions** during the design and development phase. A revision round consists of a consolidated set of feedback submitted at one time. Additional revision rounds beyond the included three will be billed at the Service Provider's hourly rate of **\$50/hour**. Revisions must be requested within **seven (7) days** of receiving a design proof or deliverable; otherwise the deliverable will be considered approved.

Change Orders & Scope Changes

Any work requested by the Client that falls outside the originally agreed-upon scope will require a written **Change Order**. The Service Provider will provide a quote for the additional work, and no work will commence until the Client approves the Change Order in writing. Change Orders may affect the project timeline and will be billed separately from the build fee.

03 Fees and Payment

Build fee — total
\$1,500.00
Deposit — due at signing
\$750.00
Final payment — due at launch
\$750.00
Monthly maintenance — begins at launch
\$100.00/mo

Build Fee — Total \$1,500.00 USD

A one-time build fee of **\$1,500.00 USD** covers the initial website design, development, and deployment. This fee is split into two installments:

- **Deposit — \$750.00 USD**, due upon acceptance of this Agreement. Work begins after the deposit is received.
buy.stripe.com/14A6oHg6ed5U0PTdY4cfK0W
- **Final Payment — \$750.00 USD**, due upon launch of the live website to the Client’s domain.
buy.stripe.com/7sYaEX3js0j81TXcU0cfK0X

Monthly Maintenance Fee — \$100.00 USD

A recurring monthly fee of **\$100.00 USD** covering hosting and server costs, SSL certification, security and software updates, uptime monitoring, backups, and ongoing website maintenance.

This fee also includes **routine content updates at no additional charge** — replacing a photo, updating wording, correcting practice information, adjusting membership details, adding or updating an FAQ, and similar small changes. The Client is encouraged to request these as needed without expecting a separate invoice for each adjustment.

Routine updates are those that can reasonably be completed within about **one (1) hour** of work and do not require new page templates, new site sections, or new functionality. Larger requests — a new page, a redesign of an existing section, or new features — fall under a Change Order. The monthly maintenance fee begins on the date the website is launched live.

Payment Terms

The deposit is due in full upon acceptance of this Agreement. The final build payment is due upon launch of the live website. The monthly maintenance fee begins upon launch and continues until cancelled. A late fee of **1.5% per month** may be assessed on any balance remaining unpaid beyond thirty (30) days from the invoice date. The Service Provider reserves the right to delay or suspend services for any account with an outstanding balance exceeding thirty (30) days.

Note on the two separate Stripe accounts

Fees owed to Williams Digital under this Agreement are paid through **Williams Digital's** Stripe account, using the links above. This is entirely separate from the Client's own Stripe account, which processes patient membership enrollments through the website. The two are unrelated, and neither party has access to the other's account or funds.

Payments and Enrollment (Client's Stripe Account)

The website will link to membership enrollment and consultation-booking pages hosted by **third-party services under the Client's own accounts** (currently Stripe for membership payments and Calendly for consultation scheduling). The Client acknowledges and agrees that:

- All membership payments are processed by Stripe under the **Client's own Stripe account**. The Service Provider does not process, collect, hold, or have access to patient payment funds.
- The Client is solely responsible for the accuracy of membership pricing, plan terms, refund policy, and the configuration of each payment link.
- The Service Provider's responsibility is limited to placing the correct Client-provided link with the correct membership tier on the website, and correcting any such error promptly once identified.
- The Client is responsible for notifying the Service Provider in writing whenever a payment link or price changes. The Service Provider is not liable for charges resulting from outdated links or pricing the Client did not report as changed.
- The Client is responsible for its own compliance with Stripe's and Calendly's terms of service.

Cancellation & Refund Policy

Should the project be cancelled by the Client after work has commenced, the **\$750.00 deposit is non-refundable**, as it covers discovery, planning, and development work already performed. If the project is cancelled prior to launch, no final build payment shall be owed. The monthly maintenance fee may be cancelled at any time with **thirty (30) days** written notice. If the Service Provider cancels before any work has been performed, the full deposit will be refunded.

04 Hosting, Domain & Ownership

Intellectual Property & Ownership

Upon receipt of full payment of the build fee, the Client shall receive ownership of all custom-designed deliverables, including website files, graphics, and content created specifically for the Client. The Service Provider retains the right to use general techniques, tools, and methodologies developed or utilized during the engagement. Third-party assets

(fonts, stock images, plugins) remain subject to their respective license agreements.

Domain & Hosting Ownership

The Client **owns the domain** sennmedicine.com and shall remain the registrant of record. The Service Provider will manage DNS configuration and the hosting environment for the duration of the service engagement.

Hosting accounts managed by the Service Provider remain under the Service Provider's administrative control while this Agreement is active. Upon termination and settlement of all outstanding balances, the Service Provider will provide the Client with a complete copy of the website files and will reasonably assist in transferring hosting to the Client or a provider of the Client's choosing.

Portfolio & Credit Rights

The Service Provider retains the right to display and reference the completed website in their professional portfolio, marketing materials, case studies, and social media. The Client agrees that a small, unobtrusive credit line (e.g., "Website by Williams Digital") may be placed in the website footer. If the Client wishes to opt out of the credit line, this must be agreed upon in writing prior to the commencement of work.

05 Client Responsibilities

To facilitate effective delivery of services, the Client agrees to:

- Provide **timely, accurate, and complete** content, photography, brand assets, and information as reasonably requested by the Service Provider.
- Respond to communications, design proofs, and requests for approval within a reasonable timeframe.
- Designate a primary point of contact for all matters relating to this engagement.
- Review and provide feedback on deliverables within the timeframes specified, understanding that delayed feedback may extend project timelines.
- Ensure that all content, images, and materials provided to the Service Provider are owned by the Client or properly licensed.
- Maintain accurate practice information, membership pricing, and payment links, and notify the Service Provider of any changes.

Content & Materials Required from Client

The design direction depends on Client-supplied material. To proceed on schedule, the Client will provide:

- Photography of Dr. Senn and/or the practice (or written direction to proceed with alternative visual treatment)
- Logo and any existing brand assets, backgrounds, or patterns
- A short practice-philosophy statement and a statement on why the practice was founded
- A message to Auburn students and their parents
- Auburn student membership eligibility details

- Office hours, publishable phone number, and publishable email address
- Any patient testimonials the Client has **written permission** to publish

Content Accuracy & Professional Responsibility

The Client is solely responsible for the accuracy, legality, and professional appropriateness of all medical, clinical, and practice information published on the website, including membership terms, eligibility statements (including Medicare eligibility), and any statements regarding services provided.

The Service Provider does not author medical or clinical claims and will publish such content as supplied or approved by the Client. The Client is responsible for ensuring all published content complies with applicable medical advertising rules, state licensing board requirements, and professional standards.

Patient testimonials, if used, will be published only when supplied by the Client together with the Client's confirmation that appropriate written patient permission has been obtained.

Project Delay Due to Outstanding Materials

If the Client has not supplied required content or materials within **thirty (30) days** of the Service Provider's written request, the Service Provider may, at its discretion:

1. Launch the website using clearly marked placeholder content, with the final build payment becoming due; or
2. Place the project on hold. Projects on hold for more than ninety (90) days may be treated as cancelled under the cancellation terms in Section 03.

This provision exists so that a project is not left indefinitely open. The Service Provider will communicate clearly before taking either step.

o6 Confidentiality

Both parties acknowledge that in the course of this engagement, confidential and proprietary information may be disclosed. Each party agrees to:

- Maintain the **strict confidentiality** of all information received from the other party.
- Not disclose, reproduce, or distribute any confidential information to any third party without prior written consent of the disclosing party.
- Use confidential information solely for the purposes of fulfilling obligations under this Agreement.
- Take reasonable precautions to protect the confidentiality of the information, no less protective than those used for their own confidential information.

This confidentiality obligation shall survive termination of this Agreement and continue for a period of **five (5) years** following termination or expiration.

The Service Provider does not require and does not seek access to patient records or Protected Health Information. Should the Service Provider inadvertently encounter such information, it will promptly notify the Client and will not retain, use, or disclose it.

07 Warranties & Limitation of Liability

Service Warranty

The Service Provider warrants that services will be performed in a professional and workmanlike manner consistent with industry standards. The Service Provider will correct any defects in the delivered website reported within **thirty (30) days** of launch at no additional charge.

No Guarantee of Results

The Service Provider does not guarantee specific results from the website, including search-engine rankings, website traffic, membership enrollments, or revenue.

Third-Party Services

The website relies on third-party services including but not limited to hosting providers, Stripe, Calendly, and font and analytics providers. The Service Provider is not liable for outages, changes, price increases, or discontinuation of third-party services outside its control.

Limitation of Liability

To the maximum extent permitted by law, the Service Provider's total aggregate liability arising out of or relating to this Agreement shall not exceed the **total fees paid by the Client to the Service Provider in the twelve (12) months preceding the claim**. Neither party shall be liable for indirect, incidental, consequential, or punitive damages.

08 Term & Termination

This Agreement begins on the Effective Date and continues on a month-to-month basis following launch until terminated by either party.

Either party may terminate the ongoing maintenance relationship with **thirty (30) days written notice**. Either party may terminate immediately in the event of a material breach that remains uncured for fifteen (15) days after written notice.

Upon termination, the Client shall pay all fees for work performed through the termination date. The Service Provider will provide a complete copy of the website files and reasonably assist in transitioning hosting, provided all outstanding balances are settled.

09 General Provisions

Independent Contractor

The Service Provider is an independent contractor, not an employee, partner, or agent of the Client.

Governing Law

This Agreement shall be governed by the laws of the State of Alabama, without regard to conflict-of-law principles.

Dispute Resolution

The parties agree to attempt in good faith to resolve any dispute through direct negotiation before pursuing other remedies.

Force Majeure

Neither party shall be liable for delays or failures in performance resulting from causes beyond its reasonable control.

Entire Agreement

This Agreement constitutes the entire understanding between the parties and supersedes all prior discussions, proposals, and agreements, whether written or oral.

Amendments

Any modification to this Agreement must be in writing and agreed to by both parties.

Severability

If any provision of this Agreement is found unenforceable, the remaining provisions shall continue in full force and effect.

Assignment

Neither party may assign this Agreement without the prior written consent of the other party.

10 Acceptance

By signing below, both parties acknowledge that they have read, understood, and agree to be bound by the terms of this Agreement.
